## About

Creative, enthusiastic, and highly motivated illustrator/graphic designer experienced in developing projects from concept to completion, working well under pressure, handling multiple tasks simultaneously, and meeting strict deadlines, with the ability to operate independently as well as part of a team.

## Education

**Fitchburg State College**, Fitchburg, MA  
Bachelor of Science in Communication Media  
*Graphic Design Concentration*

## Technical Skills

Mac and Windows Operating Systems, Adobe Photoshop, Illustrator, Flash, Dreamweaver and InDesign, Microsoft Office, freehand and Wacom tablet illustration, HTML and CSS, photography.

## Design Experience

**FableVision, Inc.** *March, August 2009*  
Illustrated, programmed, and designed Stationery Studio's "Sports & Exercise" and "Fairy Tale & Folktale" Add-On Packs. Illustrated a total of 90 different border and envelope designs geared toward children aged K-5, designed CD label. "Oceans" Add-On pack in progress.

**Seyfarth Shaw, LLP** *March 2009*  
Designed 10-year anniversary "Decade of Service" logo.

**Lyon Aviation, Inc.** *July 2007/2008*  
Designed 4th of July logo and advertisement spread for the Berkshire Eagle's annual sponsor insert.

**Lyon Aviation, Inc.** *June-August 2007*  
Designed documents, evacuation plans, inspection charts, and binder cover layouts.

## Work Experience

**FableVision Learning** *May 2009 - Present*  
Freelancer  
Illustrate and program Add-On Packs for Stationery Studio, as well as create flyers, design html emails, and produce graphics for website.

**FableVision, Inc.** *January - May 2009*  
Illustration and Graphic Design Intern  
Worked closely with clients on projects from concept to completion. Participated in weekly leadership and learning meetings. Took part in day-to-day workings of the illustration and animation firm, further developing artistic and Flash animation skills.

**Lyon Aviation, Inc.** *2003 - December 2008*  
Lineman/Front Desk/Maintenance Parts Coordinator  
Fueled piston and jet aircraft, assisted pilots and customers, monitored and organized inventory of aircraft parts, arranged charter calls, maintained aircraft and facility, and provided assistance in any other task the needed to be done.
